

PITTER PAINTER

Bamboo Grove Clubhouse Mid-Term Workshops

Monday to Friday
19-23 October

All Drawing!

All our painting projects begin with drawing, and yet we can't get enough of it! This all drawing class gives little artists the skills to wield their pencils with confidence and let their imagination take shape. We'll play doodle games, take on different drawing different subjects each class and, in the process, intuitively learn about composition, lines and shapes. We'll also explore different dry media like pastels, markers, charcoal and more to take our work from 2D to 3D and make them pop off the page!

Kindy Painting Class

Pitter Painter Kindy classes are exemplified by a cozy atmosphere where budding artists get the individual attention they need. We take creative projects, inspired by the masters and the children's interests, and turn the clock back a few years to give your preschooler a painting class that's made just for them. Projects are creatively-themed and developmentally-appropriate. Lessons in art fundamentals are hands-on and disguised as something playful.

All in a nurturing space where kids have fun and personal creativity is applauded.

Primary Painting Class

Children will have fun drawing, painting and letting their imagination run free. In small classes, they will be guided through creatively-themed projects and taught the fundamentals of drawing, color mixing and painting techniques and even some interesting bits of art history. Our lessons are designed to give kids a central idea to start from and the room to take this idea as far as their inspiration, little fingers and loads of paint will take them.
