Drawing and Beyond

2:30-3:30 Drawing and Beyond (4-9 years old)

Our Drawing and Beyond art class empowers little artists to bring their vision to life by giving them the skills to wield their pencils with confidence and let their imagination take shape. We'll play doodle games, take on different drawing different subjects each class and, in the process, intuitively learn about composition, lines and form.

Then we go beyond lines and bring our creations to colorful life as we explore different dry media like pastels, markers, charcoal and more, taking our work from 2D to 3D and making them pop off the page!

Our Signature Painting Classes

3:45-4:45 Kindy Painting (3-5 years old)

5:00-6:00 Primary Painting (5-11 years old)

Pitter Painter's signature art class is exemplified by a cozy atmosphere where children get the individual attention they need.

We take creative projects, inspired by the masters and our little artists's interests, and turn the clock back a few years to give your little artist a painting class that's made just for them. Projects are creatively-themed and developmentally- appropriate. Lessons in art fundamentals are hands-on and disguised as something playful.

All in a nurturing space where kids have fun and personal creativity is applauded.

All materials are included in the course fee.
