

PITTER PAINTER

Bamboo Grove Summer Workshop 2022

Painting Workshops:

July 11-15: Above the Clouds and Under the Sea

We don't have to go very far to discover magical new worlds. Our little artists will look to the sky and below the ocean for inspiration and bring their vision to life. We'll find our wings and dive right in, building a strong foundation in drawing, color theory and painting techniques.

Kindy (3-5 years old) 3:45 – 4:45 pm
Primary (5-9 years old) 5:00 -6:00 pm

July 18-22: Puppies and Pussycats

Our little artists will bring their furry friends (or the ones they wish they have) to colorful life, tell their stories and infuse them with whimsy in this playful, imaginative painting workshop series. Don't worry, we'll complete two paintings or 3 drawings (Drawing and Beyond) during the week so you won't have to choose between going canine or feline!

Kindy (3-5 years old) 3:45 – 4:45 pm
Primary (5-9 years old) 5:00 -6:00 pm

August 8-12: Go with the Flow! Intuitive Art

Modern materials and a spirit of experimentation has expanded the possibilities in art in countless ways. This workshop lets little artists go beyond representational genres and introduces them to texture techniques, spontaneous mark-making, the magic of layering, and plants the seeds for creating their own visual language.

Primary (5-9 years old) 5:00 -6:00 pm

Drawing and Beyond Workshops

(4-9 years old)

Our Drawing and Beyond workshop will let your little artists hone their skills and build their ability to bring their imagination to life! We'll have different subjects and genres to let them wield their pencils with confidence and let the pictures in their minds take shape. We'll play doodle games, take on different drawing different subjects each class and, in the process, intuitively learn about composition, lines and form.

Then we go beyond lines and bring our creations to colorful life as we explore different dry media like pastels, markers, charcoal and more, giving our work depth and making it pop off the page!

July 11-15 2:30 -3:30 pm
July 18-22 2:30-3:30 pm

Chinese Painting for Today's Children

(4-9 years old)

Our little artists are going to bring traditional Chinese painting into the new millennium! This class takes ancient materials and techniques handed down from Eastern masters, breaks them down into child-sized bites and sprinkles them on a mix of classic and modern subjects. Children will paint on rice paper with ink and Chinese watercolors, practice their brushstrokes, and give this ancient art their own spin.

August 8-12 2:30 -3:30 pm
