## Private Class

Fun, inspiring painting classes at your own time and place!

Our teachers will bring our fun and inspiring atmosphere to your home or function room for your little one and at least one friend.

Our private classes are run exactly like our regular class. Each lesson is an hour and covers drawing and painting techniques specific to the project.

All materials are included in the course fee.

All you need to prepare is a painting area with enough table space and comfy seats - your dining table works perfectly!
