KIDS IN THE KITCHEN

Bamboo Grove Course Schedule
May to June 2024

Get your tummies ready for breakfast, lunch, snack, and dinner! Your budding chefs will be hands-on cooking yummy healthy dishes. Our age-appropriate cooking course will tickle your little one's culinary imagination and plant the seeds of an essential life skill. In the course of creating each dish, they'll learn about food preparation, cooking techniques, nutrition, and even food critique when they taste test their creations. Don't worry, they'll make enough to bring home to feed the family. Kids in the Kitchen is Pitter Painter's foray into the culinary arts. We're taking our inspiring and nurturing atmosphere from the art studio to the kitchen and having fun creating delicious dishes with a cooking program developed in consultation with Montessori-trained educators and chefs from the Culinary Institute of America.
